

studios.

Designed for easy, expressive living, the studio apartments at Terra make the most of every square metre. Each one is cleverly planned for comfort, flow, and personality, a compact home base that feels anything but small. Whether opening onto a private garden on the ground floor or a balcony above, every studio invites light, air, and connection to the outdoors. Smart layouts create spaces that are stylish, functional, and full of heart.

one bed, one bath apartments.

Spacious, functional, and easy to love — our one-bedroom apartments are thought through for comfort, flow, and ease. Each home features a generous bedroom, a modern bathroom, and a seamless connection between kitchen and living area. Ground-floor units open onto private gardens, while upper-floor homes enjoy balconies that draw in light and fresh air. Thoughtful layouts and warm details create spaces that feel effortless and full of life.

two bed, one bath apartments.

Our two-bedroom, one-bath apartments are thoughtfully planned for easy living. The open-plan layout connects kitchen and living areas seamlessly, while bedrooms offer privacy and light. Ground-floor homes include private gardens, and upper floors open onto balconies that extend your space outdoors. It's practical, easygoing living with room to grow.

two bed, two bath apartments.

Perfect for sharing or a little extra space, these two-bedroom, two-bath apartments are designed for comfort and connection. Both bedrooms are well-sized and private, each with its own bathroom — ideal for roommates, guests, or a home office setup. Open-plan living flows naturally into the kitchen, and outdoor spaces — gardens on the ground floor or balconies above — make it easy to unwind and feel at home.

three bed, two bath penthouses.

Light, air, and texture define the three-bedroom, two-bath penthouses. Homes are designed to live wide open. Some invite you outdoors with large balconies and open-air braais made for conversation and spectacular mountain views; others gather their warmth inside, centred around a hearth that anchors the space. Each one captures a sense of flow, comfort, and connection.
